Subject: Support for Proposed Lot Line Adjustment

To Whom It May Concern:

The Sullivan's Gulch Neighborhood Association (SGNA) would like to go on record supporting the request by the Grace Memorial Church to the City of Portland to reclaim a 10-foot wide section of public right of way fronting the Church property on NE 16th Avenue between NE Halsey Street and NE Weidler Street. The right of way is a vestige from the 1940's when it appears the City was considering widening NE 16th Avenue. We believe that there is no need for the public to retain this strip of land, which presents an inconsistent lot frontage for the property.

Sincerely,
